

Information regarding insurance coverage for foreign visitors

For whom the insurance applies

The insurance covers all foreign visitors under the age of 70 years, who will visit the policyholder or co-insured categories. The insurance applies for the amount of trip days reported to Gouda, which can be adjusted afterwards. The following categories are not covered by the insurance: journalists, deminers and rescue staff.

When and where the insurance applies

The policy takes effect when the visitor has checked in, in the country of residence for direct travel to Sweden, and ends when the visitor returns to the country of residence. The policy also applies during connection in Europe, during out- and home ward journey for the duration of maximum 24 hours. The insurance applies in Sweden and during journey, starting from Sweden, in other Schengen country.

Coverage and maximum compensation

The insurance policy, tender inquiry and accepted tender represents together with policy terms and conditions nr. 702 the insurance coverage.
