General information

For whom the insurance applies

The insurance covers listed employees sent out on secondment for a period of time exceeding 1 year. Accompanying family members or other listed accompanying co-travelers are also covered under this insurance.

When the insurance applies

The insurance is valid in the country of residence stated in the insurance policy. The insurance is also valid when traveling to a third country, but for maximum 90 days. The insurance is furthermore valid in the country of origin, but for maximum 75 days.

Excess

The insurance is valid without excess, except for coverage section Property which applies with a SEK 500 excess per claim.

Safety

The expatriate insurance gives the employee 100 % safety during his journey. If the insured becomes ill or suffers from an injury Gouda Alarm should be contacted. Gouda Alarm is open 24 hours a day, ready to help the insured with medical matters, contact with treating hospital, provide payment guarantees and much more. Scandinavian doctors, nurses and emergency staff at Gouda Alarm are always ready to help in case of emergency.

Coverage

The coverage of the insurance and maximum insurance amounts are stated in each coverage area above. The amounts are per person/claim. For claims handling the full policy conditions EXPAT Business no 705 apply.

Accumulated risk during group travel

For journeys with accumulated risk (sum of death) exceeding 100 MSEK, the company is obliged to notify Gouda in advance.

Dangerous sporting activities

See cover stated in the insurance policy.

High-risk areas

The insurance is valid worldwide, even in countries/areas where the Swedish Ministry for foreign affairs advises against visits. For insurance cover in high-risk areas, see insurance policy.

Insurer

Gouda Reseförsäkring (995 568 217), branch office to Gjensidige Forsikring ASA, Norway.

Coverage Summary

Medical treatment

Compensation is payable for necessary and reasonable expenses for acute medical treatment, hospital care, medication, ambulance and other means for transportation in conjunction to medical treatment. Insured must visit doctor at the place of residence directly when illness or accidental injury occur.

Repatriation and transportation

Contact gouda Alarm if repatriation or similar transportation is needed. Gouda Alarm can assist you with arranging your transportation.

Accidental injury - disability

Medical expenses are covered under "Medical treatment" above. The insurance also cover medical or economic disability due to accidental injury, illness and contamination during the policy period. Compensation is paid with as big amount of the insurance sum corresponding to the degree of disability in percentage. The insurance also cover disfiguring scars. For insured 70 years of age or older, the insurance sum is limited to 300 000 SEK for disability and 100 000 SEK for death compensation. For insured under 18 years of age the insurance sum is limited to 50 000 SEK for death compensation.

Liability

Insurance only apply to insured in his private capacity and only for third party personal or property damage that insured is held liable for. Contact Gouda before taking any measures or accepting liability.

Personal Injury due to assault

The insurance cover damage if insured suffers from personal damage due to physical abuse or similar intentional violence. Compensation is determined according to the Swedish Damage Act.

Legal overage

If insured, in his private capacity, is involved in a legal dispute during his journey, Gouda can cover legal expenses including expenses for lawyer and court trial. Contact Gouda before taking any measures or accepting any expenses or any liability.

Crisis therapy

The insurance cover psychological treatment for psychological damage that occur as a result of an experienced trauma, such as accidental injury, acts of terror, criminal offences and similar.

Property coverage

The insurance cover private property owned by the insured or borrowed/rented by insured for temporary personal use. Insurance cover damage to property caused by sudden and unforeseen event, such as burglary, theft, fire, damage, leakage or robbery.
